1. Opening Business
   a. Call to Order (Chair); Roll call (Staff); Guests
   b. Ethics Act (Chair) http://www.law.alaska.gov/doclibrary/ethics/EthicsInfoBC.html
   c. Approval of the Agenda
   d. Review/Approval of previous Meeting Minutes
      i. February 17th, 2021
      ii. April 28th, 2021
      iii. July 7th, 2021
   e. Public Comments
   f. Chair Comments

2. Briefings
   a. Arctic Seismic Resiliency Workshop 8:15 am
      i. Dr. Majid Ghayoomi, University of New Hampshire

   b. EERI Final Report: 2018 M7.1 Anchorage Earthquake 9:00 am
      i. Dr. Wael Hassan, University of Alaska Anchorage

3. New Business
   a. Review Commission Strategic Objectives 9:30 am
      1. School & Public Building Safety
      2. Enhance and Improve Alaska Seismic Monitoring Network
      3. Enhance Post-Event Inspection Efficiency
      4. Providing Post-Earthquake Information
      5. Connecting People to Mitigation and Recovery Funds
      6. Building Code Adoption, Inspection, & Enforcement
      7. Design Engineering Requirements
4. Old Business/Committee Reports
   a. Alaska Seismic Hazard Map Update Meetings
   b. Prince William Sound – Barry Arm Tsunami Risk
   c. Resilience of Critical Infrastructure
   d. Aging Projects
      i. ASCE 7 – Tsunami Modeling Letter
      ii. Post-Earthquake Damage Assessment Taskforce
      iii. School & Public Building Seismic Safety
      iv. Grants for Earthquake Recover/Mitigation

5. Closing Matters
   a. Next Meeting: November

Adjourn

6. Afternoon Briefing (Optional)
   a. UAA College of Engineering – Capabilities and Seismic Research
   b. Earthquake Demonstration Project Tour
